

Print • Color • Cut • Paste

Supplies Needed:

- 8 ½x11 Light blue construction paper
- 3x11-inch strip of green paper for grass
- 2x-11inch strip of green paper to make stems and leaves
- Crayons or markers
- Double-stick tape and glue stick
- Small scraps of paper to use for 3-D effect
- Scissors
- Flower Template print out
- Glitter, gems, or other embellishments (optional)

Instructions:

Print flower template. Color the pictures. Cut the pictures apart. Cut the 3-inch piece of green paper to make the scallops. Cut the 2 in green paper into strips to make the stems and leaves. Glue stems in place. Glue grass in place.

Glue down flowers # 1, 1, & 1 on stems of choice.

Now working with the tulip #2. Use double-stick tape and some rolled up scrap paper and stick on top of Tulip#1 in the center. Use glue stick around edge of larger tulip #2. (Omit glue on top part of tulip). Glue in place as shown in picture.

Take the #2 daffodil image and make cuts in-between the leaves towards and up to the larger circle in the center. Fold the leaves as shown in picture.

Use double-stick tape and a small piece of scrap paper and tape to center of #3 peony. Now glue or tape #2 piece on top. Glue #3 piece on top in the center.

Glue or tape the butterfly and ladybug wherever you like. That's it your picture is finished!
