

Aquarium Craft

Make A Splash - Read

Difficulty Level: **Easy**

Very young children will need help cutting

Supplies Needed:

- Printer
- Crayons/markers or other coloring tools
- 2 - 8 3/4in. white paper plates
- Stapler and tape
- Scissors (circle cutter optional)
- Green Easter grass (optional for seaweed)
- Saran Wrap (optional)

Instructions:

- Print this template and color pictures
- Cut out aquarium circle
- Tape aquarium circle to eating side of plate
- Cut out 5 1/2 in. circle in center of 2nd plate
- Tape saran wrap to 2nd plate over hole, on eating side of plate. To mimic glass
- Add a bit of Easter grass on bottom of picture (seaweed)
- Place plate with picture facing up. Place plate with hole facing down, on top of plate with picture. Staple together

Enjoy Your Aquarium!

Cut out circle
